

TOMMASO TAMBURINI– RESUME

BIO

Tommaso Tamburini is a 2D animator, story artist, and actor from Italy, with over seven years of experience in the animation industry.

Specialized in feature films and animated series, he has collaborated with renowned studios such as **Disney, Fox Animation, Netflix, Xilam, Cartoon Network, Rai, and Toei Animation**. His credits include acclaimed titles such as ***Disenchanted, Central Park, Il segreto di Liberato, A Greyhound of a Girl, Descendants: The Royal Wedding, Lupin's Tales, One Piece***, as well as video games like ***Diesel Legacy: The Brazen Age***.

He is currently working as a **Senior 2D Animator** and **Key Assistant** on animated feature films and TV series.

A lifelong enthusiast of cinema and performance, he previously studied and worked as an actor in Italy, where he continues to develop independent projects supporting young talents eager to enhance their skills in the audiovisual field. Through his work, he is committed to fostering creativity and celebrating the art of storytelling and traditional animation.

He is based in Bassano del Grappa, Italy.
